Josh Greenberg
and

THE MOTHER GOOSE JAZZ BAND

"Toe-tappin', brassy jazz . . . fun for all ages."

An entertaining, upbeat and educational program. The Mother Goose Jazz Band blends traditional children's verses with contemporary styles to create music which will appeal to listeners young and old. Featured performers are a children's chorus, an adult jazz rhythm section, horns and vocal soloists. A great introduction to jazz with old favorites such as Row, Row, Row your boat, Little Boy Blue, Mary Had A Little Lamb, and many others.

"'This Little Piggy', Thelonious Monk-style, is just one of the highlights on 'The Mother Goose Jazz Band, Go With The Flow', ... Introduces young children to jazz."

- Lynne Heffley, *Los Angeles Times*

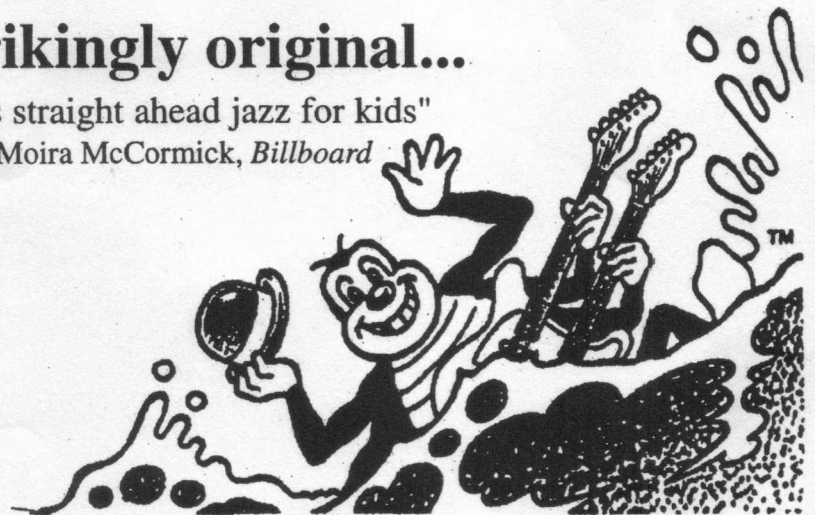

"A lot of today's kids' music features exercises in genre-hopping... It's usually a rough fit. This ... is an exception. Producer Josh Greenberg has done creative jazz arrangements of everything from 'Mary Had a Little Lamb' to 'Old MacDonald.'"

- John Kelly, *The Washington Post*

"Strikingly original..."

offers straight ahead jazz for kids"

- Moira McCormick, *Billboard*
